2017 New York ACEP
Lifelong Learning and Self Assessment Course and Patient Safety LLSA

Friday, September 15, 2017
8:00 am- 3:00 pm
Icahn School of Medicine
at Mount Sinai

Don’t fall behind!
Failure to complete the requisite number of LLSA exams could make you ineligible to take the ConCert examination and retain your certification

Overview

This course is designed to help you prepare for the ABEM Maintenance of Certification (MOC) program for ABEM certified emergency physicians. This course covers two of the MOC requirements: Lifelong Learning and Self-Assessment (LLSA) and the Patient Safety LLSA. Complete both requirements in one course, or register for an individual session.

Lifelong Learning and Self-Assessment (LLSA)

The literature review sessions are devoted to 12 articles selected by ABEM for the “2017 Lifelong Learning and Self-Assessment (LLSA) Reading List.” These articles will provide the content for the LLSA exam to be administered by ABEM. These articles will be discussed individually in three one-hour-and-fifteen minute sessions. Each faculty member will review and critique four articles to provide attendees with new information and how that information might change their approach to patient care. The key “testable” concepts within each article will also be discussed. At the conclusion of the lectures participants will have an opportunity to go on-line and take the ABEM LLSA exam.

Patient Safety LLSA

The Patient Safety LLSA is an ABEM LLSA activity developed by the American College of Emergency Physicians (ACEP) to focus on patient safety issues encountered by the emergency physician. The Patient Safety LLSA is required once during a diplomat’s ten-year certification, usually in the first five years, and also counts as one of the four LLSA tests the physician is required to take in the same five-year period.

Who Should Attend

ABEM diplomates preparing to meet the Emergency Medicine Continuous Certification Requirements.

Continuing Education Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Emergency Physicians and New York ACEP. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians.
The American College of Emergency Physicians designates this live activity for a maximum of 5.75 AMA PRA Category I Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for 5.75 hours of ACEP Category I credit.

Cancellation Policy
A cancellation fee of $50 will be assessed if cancellation is received on or before August 25, 2017. No refund if cancellation is received after August 25. New York ACEP reserves the right to cancel or postpone any course due to any unforeseen circumstances. In the event of a cancellation or postponement, New York ACEP will refund registration fees, but is not responsible for any related costs, charges or expenses to participants.

Lecture Session Objectives
• Review the key highlights of each article.
• Describe how the article may impact your practice of emergency medicine.
• Present the fundamental concepts of each article that may be asked on the exam.

Testing Session Objectives
• Identify key concepts from each article that may be asked on the self-assessment exam.
• Evaluate lifelong learning through internet-based self-assessment exams.
• Assess comprehension of cardiovascular, cutaneous and hematologic disorders, procedures and skills integral to the practice of emergency medicine as well as other components of the practice of emergency medicine through a self-assessment exam.
• Ascertain comprehension of EM Model content areas through self-assessment exam.
Practice of Emergency Medicine

Lukasz Cygan, DO
Director of Medical Student Education, Emergency Medicine, Staten Island University Hospital.

Environmental Toxicology

Adhi Sharma, MD FACEP FACMT
Chief Medical Officer; Senior Vice President of Medical Affairs, South Nassau Communities Hospital; Associate Professor Emergency Medicine, Northwell Hofstra School of Medicine.

Critical Care/ Palliative Care

Mary Mulcare, MD FACEP
Assistant Program Director, NYPH Emergency Medicine Residency; Assistant Director, Geriatric Emergency Medicine Fellowship; Assistant Professor of Clinical Medicine, Weill Cornell Medicine; New York-Presbyterian Hospital/Weill Cornell Medicine

Patient Safety

Trupti Shah, MD FACEP
Department of Emergency Medicine
Long Island Jewish Medical Center

Patient Safety

Bradley Shy, MD
Associate Professor; Director of Quality Assurance and Process Improvement, Department of Emergency Medicine, Mount Sinai School of Medicine

Special thanks to Kartik Shah, MD for his contributions to the development of the Patient Safety LLSA Course.
