New York Mobile Integrated Healthcare Conference 2020

Featuring
- Brent Myers, MD
  Chief Medical Officer
  ESO Solutions
- Brendan Carr, MD
  Senior Advisor
  U.S. Department of Health & Human Services
- David J. Prezant, MD
  Chief Medical Officer
  Fire Department of the City of New York (FDNY)
- Ryan Greenberg
  Director, Bureau of EMS
  New York State Department of Health
- Brenda Staffan
  ET3 Model Senior Advisor
  Center for Medicare and Medicaid Innovation

Other speakers will include representatives from MIH and ET3 programs across New York State.

Let’s talk about the future of EMS.

Learn about the ET3 model, community paramedicine, health information technology, telemedicine, and more. Meet the people behind the region’s most innovative programs.

Be part of the discussion at the 2nd Annual NYMIH Conference.

Friday
March 20th, 2020
8:30am-4pm
Mount Sinai Hospital
1468 Madison Avenue
Hatch Auditorium, 2nd Floor
New York City

Lunch will be served. Approved for NYC REMAC CME credit.
